

# Project 144

## How Does It Work?

We are looking for One Hundred Forty Four [144] people to stand with us and follow us into a unique project.

This project is named "Project 144" because these Men and Women are the Disciples of the Disciples [ $12 \times 12 = 144$ ]. They come from every walk of life and love the Lord of Heaven and Earth with all their hearts, souls, and minds.

### IS THE C2K REPORT FUNDRAISING?

This project is NOT:  
CROWD FUNDING  
GIVING or  
ANY OTHER KIND OF "FUNDRAISING"

### WHAT IS THIS?

It is a legitimate opportunity to join with members of the *Project 144* ecclesia in a wellness shopping club. Within the wellness shopping experience you will be purchasing products we all use in our every day lives at very comparable pricing.

### WHY JOIN THROUGH PROJECT 144?

By joining through our portal you join the *Project 144* ecclesia team and personally fund the goals of *Project 144*. What separates *Project 144* from all the other good people you could be teaming with in such an effort is the promise that every cent earned from your purchase of everyday products shall be used to fund EVERYTHING ECCLESIA.

## The Mission of Project 144

- To fund a Teaching Center/Church that teaches other ecclesia how to reconcile its members to self-governance under the Lord.
- To fund a hub on Private Property for the Ecclesia to do its work without compelling State interests.
- To fund the hub without 501(c)3 style giving which limits the resources the 144 project can obtain substantially.
- To launch sub-projects from within the hub for the benefit of the Kingdom of God.
- To seat 144 members of God's Kingdom at a leadership table for collaboration.
